THE OHIO STATE UNIVERSITY

HONORS AND SCHOLARS CENTER

Teague Burkey

Dear Teague:

Congratulations! After careful review of your Common Application materials and Scholars program preferences, we are pleased to offer you a place in the **Engineering Scholars Program**, entering Autumn 2026. [Click here](#) to learn more about what you can expect from your Scholars experience!

IMPORTANT NEXT STEPS:

1. Accept your Scholars Program Placement

If you intend to enroll at Ohio State, you must submit your \$100 acceptance fee to Undergraduate Admissions by **May 1st**. Paying the acceptance fee is your indication that you intend to participate in the Ohio State Scholars Program, and no further action is required to **accept** your Scholars offer.

If you have questions about submitting your acceptance fee, please contact Undergraduate Admissions at (614) 292-3980 or askabuckeye@osu.edu.

To decline your Scholars program offer: you must decline your Scholars offer no later than May 1st by logging into go.osu.edu/scholars using your Ohio State username [burkey.77] and password. Participation in Scholars impacts the Housing information detailed below, so if you do not plan to participate in Scholars, you should decline as soon as possible.

2. Complete your Housing Contract

Housing and Residence Education will send communications to your Ohio State e-mail with instructions for completing your housing contract and paying your space reservation and filing fees (\$350). Housing contracts are emailed on a rolling basis beginning in mid-March in the order acceptance fees are paid. The earlier you pay your acceptance fee, the earlier you will receive your housing contract.

Your Scholars Community

You are required to live with your Scholars community in **Drackett Tower**. Due to building or space restrictions, program demand, ADA accommodation needs, and density requirements, you may be assigned to an alternative space for your Scholars community as plans for Autumn finalize.

Contract Deadline

Housing and Residence Education must **receive** your housing contract and the \$350 space reservation and filing fees on or before **May 15th**, to maintain eligibility in your Scholars program. **We are unable to offer Scholars Housing to students whose contracts and/or contract fees are received after May 15th.**

Roommate Assignments

If you choose to submit a roommate request, they must be part of your same Scholars program. **You cannot preference a roommate who is not in your Scholars program.**

Commuter Exemption

If you will be commuting from home next year, you do not need to complete a housing contract but do need to submit an exemption request form by **May 15th**. Information on that process can be found on the housing website at housing.osu.edu.

If you have any questions about housing, please contact Housing and Residence Education at (614) 292-8266 or housing@osu.edu.

3. Your Scholars Program Manager

If you have any questions, please do not hesitate to contact your Scholars Program Manager, **Hillary Carter** at carter.1379@osu.edu. Please watch for future e-mail messages from the Ohio State Scholars Program and your Scholars Program Manager.

We look forward to welcoming you into our community this fall and working with you throughout your undergraduate career at Ohio State. Go Bucks!

Sincerely,

Ola Ahlqvist, PhD

Associate Vice Provost, Office of Academic Enrichment

Executive Director, University Honors & Scholars Center

Professor of Geography
